EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John R. Carr on 12/29/03.

2. The application has been amended as follows:

In the Claims:

In claim 23, line 14, after parameters, delete ".", and insert therefore --;--.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance: The prior art of record taken alone and in combination does not disclose "an accelerometer comprising a transducer for determining the position of a proof mass relative to a fixed plate by determining a coupling capacitance between a first capacitive sensor array on a surface of said fixed plate and a second capacitive sensor array on the surface of said proof mass and means for measuring the actuation signal and determining an acceleration component of the movement of the proof mass as a function thereof" as recited in claim 23 and as argued by applicant.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
